

EMS Council of NJ

2022 Symposium & Tradeshow

Keynote Address

Friday October 14, 2022

Traumatic Brain Injury

Dr. Greiss will discuss the different forms of TBI and demonstrate the on scene assessment of the TBI patient.

Additionally she will discuss current trends of management of the TBI patient.

Dr. Christine Greiss is currently the Director of the Concussion Program at JFK Johnson Rehabilitation Institute. She is a Clinical Associate Professor in the Department of Physical Medicine and Rehabilitation at Hackensack Meridian School of Medicine and Robert Wood Johnson Medical School and Kessler Institute for Rehabilitation, where she served as Administrative Chief Resident from 2012 - 2013.
